

25 February 1958

MEMORANDUM FOR: Assistant Director/Research and Reports  
SUBJECT: Report on Trip to Military-Industrial Conference

1. Purpose

25X1A9a The purpose of this trip was to attend the fourth annual Military-Industry Industrial Conference with [REDACTED] 25X1A9a of the Office of Scientific Intelligence, as joint representative of the Central Intelligence Agency. The Conference was held at the Conrad Hilton Hotel, Chicago, Illinois, on 17-19 February.

2. Problems

There were no problems encountered on the trip. The Conference Agenda is attached, and highlights of the presentations are given in Tab "A." The statements made by U.S. Government representatives, to the extent that they incorporated intelligence on the Soviet Bloc, were in agreement with national intelligence views.

3. Commitments

No commitments were made.

4. Recommendations

Attendance at future annual conferences is recommended.
